WHY ATTEND?

SIGGRAPH Asia is a special and unique place for artists and scientists to converge and share their passions. As a roving show within the region, every SIGGRAPH Asia series always brings together a brilliant blend of computer graphics and interactive techniques with local culture.

LEARN

SIGGRAPH Asia features vast learning opportunities across various conference programs including Courses, Papers, Demos from Art Gallery, Demoscene, Emerging Technologies, XR, Poster Presentations and many more, presented by over 700 speakers. Learn from the best and the latest in research, techniques, and productivity.

INSPIRE

Discover technology that is shifting the industry for CG, interactive techniques, and VFX professionals. More than just personal development, knowledge gained from SIGGRAPH Asia is brought back to organisations to progress and inspire the team.

NETWORK

Meet and mingle with a close-knit and massive SIGGRAPH Asia community! Business matching opportunities are made readily available to connect with exhibitors, presenters and fellow attendees and help expand your professional network.

Dear _____,

I'm writing to request your approval for me to attend SIGGRAPH Asia 2019 this November in Brisbane, Australia because I strongly feel it would be a worthy investment of time and financial resources on knowledge and skill advancement.

SIGGRAPH Asia, the annual event, which rotates around the Asian region, attracts the most respected technical and creative people from all over the world who are excited by research, science, art, animation, gaming, interactivity, education and emerging technologies. The 12th edition of the 4-day Conference (3-day Exhibition) held **17 - 20 November 2019 in Brisbane Convention and Exhibition Centre, Australia** promises a presentation of latest technologies and techniques in our field and a strong program line-up that would stir curiosity, advance technical skills and reignite passion.

With your approval, I will be able to:
